## GET THE MOST FROM YOUR EVENT

We want you to get the most out of your special event so we've put together a few handy hints to ensure you're prepared for the ultimate day of paintball adventure. Make sure your entire team are informed and ready for battle by sharing this Information Pack with them.

## COME PREPARED FOR AN AWESOME DAY OUT.

### PHOTOID

To comply with Firearms Regulations we must retain a form of photographic ID from every player aged 16 and older during their event.

### REGISTRATION FORMS

Each payer is required to complete an Online Registration Form before they are allowed to play. Your Group Organiser will receive a link to your group's unique registration portal that can be shared with all players and used to register each player. NB: Some centres have poor mobile reception and therefore the registration process should be completed before arrival.

### FINDING THE VENUE

Group Organisers should ensure all players and drivers have full details on how to get to the centre. All Delta Force centres are accessible through Google Maps.

### FOOTWEAR

Enclosed footwear with ankle support and deep tread is required for paintball.

## HOW MANY PAINTBALLS DO I NEED?

How many paintballs a group or an individual will use varies depending on the type of player, the player or the groups budget and what they want to get out of their event. For those with a set budget or simply more of a sniper (careful with their ammo) than a Rambo, you are likely to use somewhere between 500 and 1000 paintballs during your event. For those have more Chuck Norris blood running through their veins then 2000 (or even more) paintballs are likely to be unloaded on the enemy during your event. The average across the country is about 200 per Mission

*Please note: These are two separate events. We no longer run full day sessions. Itinerary times are for guidance only and game zones may differ between centres. Facilities at local paintball centres may vary.*

*If you arrive at the centre early you may be asked to wait in the parking area until the team is ready to welcome you. If you have not registered online in advance this may slow down the check in process.*

**All of our paintball centres are classified as firing ranges and all of our paintball markers are registered firearms. By law we follow a strict zero alcohol/drugs policy. Alcohol and illicit drugs are not permitted on site for any reason, and any player with alcohol and/or illicit drugs in their system will be unable to participate in paintball games and will be required to leave the centre so that we comply with our obligations as an approved firearms operator.**
